VISION

To be:

A centre for excellence in school teaching and leadership

MISSION

Our mission is to:

Enhance and improve student outcomes across rural, regional and metropolitan schools through specialised professional learning

OBJECTIVES

Over the next four years we aim to:

Improve outcomes for students through the provision of specialised teaching and leadership excellence programs for exceptional teachers and school leaders.

Increase equity of access to professional learning to lift the quality of teaching across Victoria.

Raise the public awareness of the capability and status of teachers and school leaders in the science and practice of teaching.

Provide a dedicated pathway for established exceptional teachers to contribute to school system improvement.

Improve the quality of school leadership.

ENABLERS

We will achieve our objectives through:

Attracting, empowering, connecting and supporting people to drive capability and expertise.
Establishing and embedding end-to-end internal business processes.
Developing a coherent and effective information and knowledge management system and practice.
Creating a culture of learning, reflection, collaboration and innovation.
Establishing and maintaining strong partnerships and connections with stakeholders.

VALUES

Underpinned by our values of:

Responsiveness

Integrity

Impartiality
